Principal: James Williams  
Address: 2463 Emerald St., Philadelphia, PA 19125

**Vision:** The vision of Kensington Health Sciences Academy is for a school where all students are eager to learn about health and healthcare as part of a challenging education focused on the 21st century labor market. Our vision is to have the resources all students need to reach their full potential morally, intellectually, academically, socially, and emotionally. Our vision is for all graduates to be fully prepared for successful transition into post-secondary education and rewarding professional careers.

**Mission:** The mission of Kensington Health Sciences Academy is to prepare students for post-secondary studies and careers by offering a core of rigorous academic courses, integrated with challenging career program majors in health sciences, in a safe, supportive learning environment.

*"It is an honor being selected to be a part of the first cohort of schools participating in the community school effort. As a result of this selection, we will be able to improve student health outcomes and provide behavioral health services for an often overlooked and certainly underserved population."*

– James Williams, Principal

# William T. Tilden Middle School

Enrollment: 470

Grades Served: 5th - 8th

Principal: Brian Johnson

Address: 6601 Elmwood Ave., Philadelphia, PA 19142

MAYOR'S OFFICE  
OF EDUCATION

**Vision:** William T. Tilden is committed to creating a safe, positive environment for all of our students, staff, parents, and community partners. The fundamental principle on which we build our instructional program can be summarized in a single declaration, "All Children Can Learn!" Tilden serves a diversity of students ranging from the academically capable to the poorly prepared. Because of the differences among students, it is essential that we meet the learner where the learner is and that our instructional and behavioral program provides a comprehensive range of varying academic and social supports required to identify what students do best.

**Mission:** Tilden Middle School is dedicated to the mission of providing a world-class education for all students and to becoming a state recognized "blue ribbon" school.

Principal: Andrew Lukov  
Address: 1835 S. 9th St., Philadelphia, PA 19148

**Vision:** Southwark Elementary School promotes a safe and supportive environment that respects the diverse student population and the community it serves. The purpose of the school is to educate the whole child and to challenge students to reach their fullest potential in all academic areas in order to become productive members of society. Southwark Elementary School strives to provide a rigorous, standards-driven curriculum that is student-centered and geared towards developing critical thinking skills.

**Mission:** Southwark's mission is to develop leadership in our students and educate them so they are on grade-level and beyond in reading, writing and mathematics, in a safe, clean, and caring environment.

*"Southwark School is deeply honored to be chosen as a participant in the first cohort of Community Schools. Three years ago, when I began my tenure as principal of Southwark, I immediately recognized the undiscovered treasure that we have in our staff, families, and very diverse community. Bringing these groups together and aligning them to our school mission to make our students successful has been my goal. I thank Mayor Kenney, Mr. Hackney, and their team for making this dream a reality." – Andrew Lukov, Principal*
